\$1.5 Million Payroll Awaits Fund Drive

Cox Band Hall Dedication Friday

Interior work continued this week on the J. Francis Cox Band Hall at Yoe High School in preparation for dedication ceremonies at 5:30 p.m. Friday and a reception following the Caldwell - Yoemen game.

A gathering of former band members for the ceremonies will honor Francis Cox in observance of his 35 years as director of the award-winning band. Mrs. W. O. Harper, president of the Band Booster organization, said over 200 former band members had been contacted by mail and they estimated that an additional 200 former Yoe bandmen lived in the Cameron area.

Dedication of the new building was termed a fitting tribute to Cox, who organized the first high school band in 1932 and guided its growth to the present 16 member marching and concert group.

Cox moved to Cameron in 1931 to teach private music lessons and with the help of organizing a band. In 1932 he put together a group of 23 students and 8 townsmen and the first formal concert was held that spring. In 1933 it became a part of the school system and

began a tradition as an award-winning band. The Yoe band has received first division rating in regional school band competition since 1937 with the exception of one year.

The first band graduates were Frank Adams (deceased), Niley J. Smith, Jr. and F. E. Jackson, 1933; E. B. Cannon, Vernon Mayfield and Frank Newton were band graduates in 1934; Jack Avriett, Gus Evans, Harold Jackson, Rudolph Michalka and Robert Sloan Ryan, 1935; Allen Horstmann, E. O. Schiller, Jr., Joe Newton and Billy Triggs, 1936.

John B. Henderson Jr. will be master of ceremonies for the dedication. Lawrence Zotz will represent the Band Boosters Club. Coleman Duncum will represent the Cameron School Board and Father Arthur Michalka will give the invocation. The Yoe High Band will play for the dedication.

Mrs. Harper said plans were also being made to form a permanent Yoe Band Exes Association at the reunion.

UNITED FUND GOAL ASSURED WITH 90% IN

The Cameron United Fund drive has neared its goal of \$7500 with the business section and house to house campaigns almost completed. Albert McCullin, Jr., chairman of this year's drive said "We are assured of reaching our goal with donations still to come from teachers, Alcoa workers and Walled Lake Door Co. employees after Oct. 31."

With several individual workers not reported, the drive had netted \$6,100 following the house to house campaign, McCullin said the drive in residential sections Monday will probably total over \$1,000, making it one of the most successful on record.

McCullin said success of this drive should insure the continuation of United Fund in Cameron and hoped it would pave the way for more agencies to join.

"Those agencies included in the United Fund (Red Cross, Salvation Army, Girl Scouts and Boy Scouts) are in most cases receiving more support through United Fund than they were on individual drives," McCullin said.

About 150 volunteers worked on the fund drive this year.

Two Plants Give Nod To Cameron

Plans for a Cameron Industrial Foundation drive for \$75,000 are being drawn following announcement that two manufacturers will open plants in Cameron, N. L. Caperton, chairman of the Cameron Industrial Foundation, said an additional \$75,000 was needed to construct facilities to be purchased by Lifetime Doors, Inc. and Sunny Isle Manufacturing Co. The two firms will have a combined annual payroll of \$1.5 million.

Bill Burns, chairman of the CIF finance committee, said the drive would begin as soon as building specifications are approved by the Small Business Administration.

Tentative approval has been made on the Lifetime Doors plant and representatives of Sunny Isle said their building plans would be drawn this week and forwarded for SBA approval.

Caperton, reporting to an enthusiastic CIF membership meeting last Thursday, said Lifetime Doors, Inc. has set a tentative date of April 1 for completion of their building and hope to be in operation by May 1. The manufacturer of wooden doors will employ 100 to 200 workers.

Sunny Isle Manufacturing Co.'s president, Jack Miller, said he would like to open the Cameron plant as soon after January 1 as possible. The plants will be located on a recently purchased 15 acre industrial tract adjoining Walled Lake Door Co. and on the Erms property across the road.

Lifetime Doors, Inc. has six plants now in operation with headquarters in Detroit. Sunny Isle Manufacturing Co., a dress manufacturer, has plants in Dallas, Gilmer, and Jacksonville. They plan to employ 250 in the Cameron plant.

Caperton emphasized to Industrial Foundation members that the plants were ready to locate here and it all hinged on the community getting behind the fund drive to raise the additional \$75,000.

"We've waited all these many years for this opportunity," he said. "Our first fund drive was a success with money invested strictly on faith. It is no longer a gamble, these firms are ready if we are."

He explained that the CIF would build the plants with a lease-purchase agreement with the two manufacturers. They would also extend a 10' water line to the sites to give sufficient pressure and water for sprinkling systems and sewerage. Eighty percent of the building project will be financed with a loan from SBA and must be met with \$130,000 from the Industrial Foundation.

Henry Seibman, CIF treasurer, reported that the Foundation presently had \$55,000 in cash or pledges that were immediately collectable.

DEDICATION of the J. Francis Cox Band Hall and a city proclamation designating J. Francis Cox Day will heap honors on the director and founder of the award winning Yoe High School

Band, Friday. Cox and students Jinny and Gail Jeter pause at the entry to the new building dressed in modern, tailored Yoe Band uniforms that are a far cry from the capes and caps of the first Yoe Band.

108

By F. M. L.

FML is away this week and his departure by plane proved that for a child seeing is believing.

Martin, age 5, knows his grandfather only as the nice man who gets off an airplane, visits him and sister Les for a few days and then gets back on the airplane.

We have explained at length that he has a home just like ours on the ground. And we thought the matter settled. But last week as he watched his father get on an airplane he said "Is he going to sit next to Grandfather?"

108-108-108

Enthusiasm appears to be at an all-time high in Cameron this week. And well it should. After many months of work the Industrial Foundation has two manufacturers ready to locate here with an estimated \$1.5 million annual payroll.

It means digging a little deeper for financing to build the plants, but it is like betting on a sure winner—and you don't have a chance to do that very often.

108-108-108

Homecoming crowds, expected to be the largest in many years, will find their alma mater in new dress. The Yoe High School building is resplendent in modern windows and shining exterior that do justice to its classic lines.

And former band students, along with town folk will have an opportunity to see the new J. Francis Cox Band Hall and pay tribute to Cameron's "Mr. Music", J. Francis Cox himself.

108-108-108

Sure proof that we live in an affluent society came with publication of the new Nieman Marcus Christmas book. Featured (along with His and Her camels for "people who have been promising themselves to slow down") was a \$35,000 wig spun of 24 karat gold.

108-108-108

Only two cars were entered in the Moscow auto race: an American car and a Russian Moskvich. The U.S. car won easily. Next day Pravda reported: "The Soviet Moskvich placed second while the American car was next to last."

Yoe Meets Hornets In District Tilt

By Fritz Pratt

Cameron's Homecoming game will match the Cameron Yoemen and the Caldwell Hornets on Yoe Field in the second district game for both teams. The Yoemen are coming back from a victory over Hearne last week, 23-0. The Hornets fell to the Giddings Buffaloes last week by a score of 13-5.

The Hornets, a well experienced team, have had trouble the past few years with the youth of the team. But head coach Morris Stone and assistants V. Barnett, C. Matiejewski, and B. Stone have whipped the boys into a going unit.

The Yoemen are going strong Altimore, and Robert Kocurek, with backs Paul Skrabanek, Pete

The passing traffic is generally between field general Dick Bowers and ends Elton Davis and Bill Broadus.

The roster follows:
Dick Bowers, Sr. B, 151, 2VL
Allen Garbs, Sr. B, 145, JV
Lee Easter, Sr. B, 155, 2 VL
Doug Smith, Jr. B, 142, JV
Paul Skrabanek, Sr. B, 137, JV
Steve Kyles, Sr. B, 164, 2 VL
Ronnie Smith, Sr. B, 141, 1 VL
Floyd Kostelka, Jr. B, 149
Robert Kocurek, Sr. B, 161, 1 VL
Charles Rosas, Jr. B, 174, JV
Pete Altimore, Sr. B, 147, 2 VL
Mike Balcar, Sr. C, 168, 1 VL
Allan Willis, Jr. C, 155, JV
Eddie Ellis, Sr. C, 179, 2VL
Mike Worthington, Jr. G, 179, 2VL
Garland Flippin, Jr. G, 159, JV
Amelio Mandez, Sr. G, 151, 2 VL
George Zavodny, Sr. G, 178, 1VL
Gregory Kocurek, Jr. T, 186, JV
Bruce Cowen, Sr. T, 202, 2VL
Bobby Pionka, Sr. T, 195, 2 VL
Edward Priest, Jr. T, 270
Kenneth Urbanovsky, Jr. E, 160
Bill Broadus, Jr. E, 183, 2 VL
Andy Weichert, Jr. E, 168
Elton Davis, Sr. E, 162, 2 VL
John Green, Jr. E, 187, JV
All in all, things look pretty good for the Yoemen. My guess is at least a 12 point victory for Cameron.

FEDERAL CUTS WON'T AFFECT NEW PH UNITS

Cameron Public Housing representatives were assured in Fort Worth last week that the local project for 50 new units has been budgeted and will not be affected by any federal budget cuts.

A. G. Kunz, Henry Litzman and Fred Starnes, Cameron housing project manager, met with Public Housing Administration officials Friday to discuss plans for the new units and review some architectural changes. The units will be of masonry construction, similar to the existing buildings.

Kunz said 34 units will be built on West 6th St. near Newton Hospital and 14 will be added to the East Housing Unit. He said construction would begin as soon as property negotiations were completed.

COLDIRON WELL POTENTIAL IS 40 BARRELS

Luling Oil & Gas Company filed potential figures last Thursday on its No. 2 A. Coldiron, drilled several weeks ago in the Milbur Field in south Milam County.

The No. 2 Coldiron pumped 40 barrels of 21.7 gravity oil per day on perforations at 2,676-36 feet and is producing from the basal Wilcox.

Luling Oil & Gas Company has two other wells in the field -- the No. 1 Coldiron, an 80 barrel per day producer, and the No. 1 Joe Martin, the 56 barrel per day discovery which was drilled early last spring and opened the North Milbur Field.

Castello Resigns As City Police Chief Effective Tuesday

City Police Chief Don Castello submitted his resignation Tuesday reportedly to accept a position as a security officer at Stephen F. Austin College in Nacogdoches. In a letter addressed to Mayor Bassel Wilson, Castello asked that the resignation be effective immediately.

Mayor Wilson praised Castello's work here and said he regretted the resignation. Wilson said the police force was at full strength, however, with three patrolmen, a night watchman and three dispatchers.

Castello was appointed Police Chief June 1.

BRA Clears Way For San Gabriel Dam Project

The San Gabriel Dam project came a step closer Monday when Brazos River Authority directors voted to assume the costs of water conservation storage spaces in two of the planned reservoirs.

Oxshier Smith of Cameron introduced a motion calling for the vote, which will clear the way for real estate purchases as soon as funds are appropriated by Congress. The Senate recently passed the omnibus appropriation bill which included \$18 million for start of purchase of the land needed for the reservoirs.

Smith said land purchases could possibly start by spring for Laneport and North San Gabriel reservoirs.

Construction of the dams could be completed within 5 years. The assurance, at the present time, will be in the form of a letter from the authority to the Corps of Engineers agreeing the authority will enter into a contract at a later date and agree to pay the costs of constructing the conservation areas.

The two reservoirs are authorized for construction as flood control - water conservation projects. The Corps will build the reservoirs and operate the flood control aspects. The Brazos River authority will pay the costs of the conservation storage spaces and will have

Yoe High Homecoming crowds are expected to be the largest in recent years with reunions planned by the classes of 1942, 1947 and 1957. Added to the class reunions will be many of the 400 former band students invited to attend a reunion of Yoe High Bands and dedication of the J. Francis Cox Band Hall on Friday, officially proclaimed "Francis Cox Day" by Mayor Bassel Wilson.

The traditional bonfire will be held at 7 p.m. Thursday designating the start of Homecoming activities. Cameron will meet Caldwell on the gridiron at 7:30 Friday following a district 17-AA opening game with Hearne last week when the Yoemen scored a 28-0 win over the Eagles.

Sections for classes holding reunions this weekend will be reserved at the dance.

A Homecoming dance will be held at the National Guard Armory following the game with all Yoe High Exes and friends of Yoe High invited to attend. Jay Leutwyler and his orchestra will furnish music until 1 a.m. Classes holding reunions will have tables reserved at the dance.

Reunions will tax Cameron's banquet facilities Saturday evening. Reunion plans for the class of 1937, originally set for this homecoming weekend, have been postponed until November 4 when facilities for the 130-member class would be available.

The class of 1942 will meet for the first time in 25 years this weekend with a dinner at the Cameron Country Club beginning at 7:30 p.m. Mrs. Edison Fikes,

who is among local class members working on arrangements for the reunion, said they expected about 100 for the dinner. All but 15 of the 121-member class were contacted about reunion plans and former students are expected from as far as Las Vegas, Nevada and Hammond, Indiana.

Music from the '40s has been assembled for the reunion of Yoe High class of 1947. Reunion plans include a dinner and dance at National Hall Saturday night. Ladiz Marek, Jr., chairman of the reunion committee, said 85 of the 87-member class had been contacted and a large percentage were expected for the homecoming weekend. Marek said about 30 of the class members lived in the Cameron area and had assembled high school mementoes which will be on display along with letters

from class members unable to attend.

Taylor Moore of Baton Rouge, La., class president, will MC the program.

The class of 1957 will meet for dinner at the Texas Saturday night. Rev. John Solomon, a class member now living in Little Rock, Ark., will give the invocation. Mrs. Calvin Kraemer, who is among the local class reunion planners, said they expected at least half of the 61-member class to be here for the homecoming weekend.

PTC Sets Annual Halloween Carnival At Simon-George Hall

The fun and magical excitement of Halloween will get a sneak preview showing at Simon - George Hall Thursday, October 26, when the St. Anthony Parent-Teachers Club will present the annual Halloween Carnival.

Everyone in the Cameron area is invited to witness or add to the fun.

One special feature, ever-popular with residents here, is a home-style supper prepared by ladies of the parish.

The supper this year will be a spaghetti and meat sauce plate with hot bread, cole slaw, and coffee -- all for 60 cents. Soft drinks, cakes, pies and kolaches will also be sold. PTC chairman for the foods committee are Mrs. Louis Hollas and Mrs. Albert Michalka.

Games for both youngsters and adults have been planned. All booths will be liberally stocked with items purchased from local merchants, homemade baked goods and handmade gifts.

Some of the games planned include a fish pond for the younger set, a cake wheel, a gift wheel, ringtoss and one table where players can sit to play the game.

Another popular feature added to the carnival several years ago will be the traditional Horror House. Mrs. Ed McAtee, assisted by St. Anthony eighth grade students, will plan, decorate and escort people through it.

A drawing for special gifts will also be held with top prize one-half beef prepared for the deep freeze. James Richardson is in charge.

Industry Move Marching . . .

Turnout at the Cameron Industrial Foundation's membership meeting last week showed the interest held for the industrial movement in Cameron.

The time has come again for raising money, of "putting it where our mouth is", for reaching the final stage prior to new industry's commitment.

It appears to us that Cameron was never more receptive, never more interested, never more hopeful for growth than the present.

It is tough to come back and ask for tens of thousands more after a successful first drive last year. But other towns have done it. Caldwell for example.

There are many whose stake in this future is great though they little realize it.

Jobs, values throughout the whole community in real estate, spendable income and the many benefits of this healthy growth factor.

Cameron's industrial cycle has come faster than any directors of any foundation could have predicted. It is not only needed, but long awaited. The cycle began some 12 years ago and was restored in the organization of CIF, Inc., in 1966.

The reception that awaits the building and hiring stage of industry may not be far away. And the troops who have marched for industrial financing will march again, gaining from the support shown in the membership meeting last week.

WHAT OTHERS SAY . . .

Rio Grande Flood . . .

The great floods on the Rio Grande are imposing upon hundreds of thousands of citizens in Texas and Mexico incredible suffering and hardships. It is beyond human ingenuity to alleviate all the ills consequent to the flood or repair all the damage to property. But the American people and their Government will respond to the plight of the people of the Southwest as they always have responded to crises of the kind.

Everything that can be done ought to be done to repair the damage done by this incredible deluge. The aid and comfort of American citizens and of their Government ought to be extended to those on both sides of the Rio Grande—

as in many instances already reported it has been extended. Common calamities sometimes illuminate our kinship with our neighbors and the unfortunate on both sides of the border share the fellowship of human misery inflicted by a common foe. There is no discrimination in a flood and there must be none in flood relief. Help must be given where needed. As the extent of the damage becomes better known it may suggest that the situation requires some kind of joint effort with Mexico and some special coordination of the public and private agencies of aid that are available.

—Washington Post

Walking papers for the Windmill . . .

An electric pump is cheaper to install than the windmill and it pumps water whether or not the wind blows. With low-cost electricity provided by BRAZOS ELECTRIC POWER COOPERATIVE of Waco and distributed by BELFALLS ELECTRIC COOPERATIVE, the modern efficient way to pump water is electrically. You still see friendly windmills over the state but mark them well. Old "high lonesome" has his walking papers. The day is coming when the only spot for a windmill is where there's no electric power. Such spots are fast disappearing thanks to BRAZOS ELECTRIC POWER COOPERATIVE and the member-owned BELFALLS ELECTRIC COOPERATIVE. Together they are brightening the rural scene while Helping Texas Grow.

Tidelands Case Up Again

By Vern Sanford

A multi-million-dollar Texas tidelands case once more is before the highest court in the land. It involves 37,000 acres of oil-rich offshore territory.

Atty. Gen. Crawford Martin and his aides have presented the state's arguments to the U.S. Supreme Court.

Key question is whether Texas coastline includes its jetties as part of the permanent harbor system. Jetties in question are at Port Isabel, Port Mansfield, Port Aransas, Matagorda, Freeport, Galveston and Sabine Pass. They extend as far as four and a half miles into the Gulf of Mexico.

Decision for Texas would add four and a half miles to the three marine leagues (10.35) offshore boundaries allowed by the federal submerged lands act of 1953.

New case is the latest round in legal exchanges dating back to 1950. Then the Supreme Court held that the federal government had paramount rights over submerged lands. Later the submerged lands act reversed the decision and granted Texas title to all lands reaching three marine leagues into the Gulf.

Present controversy arose when the Texas School Land Board advertised a lease sale of mineral rights under a 1965 Supreme Court decision which established the California coastline as including "outermost permanent harbor works that form an integral part of the harbor system."

U. S. Government filed an injunction to prevent Texas from leasing, contending that the Texas shoreline was defined by the 1845 annexation agreement under which the state joined the union.

Texas claims jetties are a part of the permanent harbor system and to determine where the shoreline was in 1845 would be impossible.

POLITICAL POT BOILS
Political pot continues to boil at the state capital.

As expected, 29-year-old House Speaker Ben Barnes announced for lieutenant governor. He said his move should not be interpreted as a tipoff to Gov. John Connally's plans. He stated that he would run as an independent, with no "ticket" affiliation with Connally or anyone else. Barnes immediately opened his statewide campaign headquarters in Austin.

Governor John Connally left for Canada and the National Governor's Conference in the Virgin Islands without revealing his decision as to retiring or running for a fourth term.

LI. Gov. Preston Smith already is campaigning for governor. He predicts that Governor Connally will not run for an unprecedented fourth term and submits as evidence Connally's 1962 pledge not to do so.

Former Atty. Gen. Waggoner Carr called on all three -- Connally, Smith and Barnes -- to run for re-election. In a letter to Connally he said he may run for governor if Connally doesn't or for lieutenant governor if the governor seeks a fourth term.

Supreme Court races continue to draw increasing attention. Declared candidates are Houston District Judge Sears McGee, Texarkana Court of Civil Appeals Associate Justice Matt Davis, Amarillo Court of Civil Appeals Chief Justice James G. Denton and Austin District Judge Tom Reavley.

COURTS SPEAK

A proposed state constitutional

amendment to wipe out the poll tax as a voting requirement and require annual voter registration is headed for a U. S. Supreme Court test.

State Supreme Court declined to alter an earlier ruling that an election which approved the amendment last November should stand.

AFL-CIO challenged the outcome of the vote, contending that voters did not realize that an annual registration feature was involved. Union promises to take the case to Washington.

Texas high court agreed to review the case of four Houston lawyers who contend that free legal service to the poor, under the War on Poverty program, unfairly deprives attorneys of fees. Court of Civil Appeals had upheld the district court's summary judgment against the group.

Court of Criminal Appeals affirmed the 99-year prison sentence assessed Goliad rancher Shaper Taylor on charges of killing his 38-year-old former "girlfriend" and her elderly husband.

Austin District Judge Mace Thurman Jr. is presiding over the court of inquiry here to look into allegations of malpractices by home improvement contractors and their agents.

VOTER REGISTRATION

Texas Secretary of State John L. Hill is warning persons who are 60 years of age or older and live outside cities of 10,000 or more population that this year, for the first time, they must register to vote.

Hill said that a special provision has been made for such persons to register during the period October 1 to January 31, 1968 at the county tax office or by mail to the county tax assessor collector.

73 RUN FOR LEGISLATURE
Seventy-three have filed as special election candidates for six vacant House seats and one Senate vacancy. Seven elections are scheduled for November 11, general election day, when six proposed constitutional amendments will also be voted on.

Twenty-one seek the senate place long held by the late Sen. George Parkhouse in Dallas.

Seventeen filed for the House post of the late Rep. Ira Kohler of Houston; 12 for former Rep.

Lee Duggan Jr.'s House seat; nine for former Rep. Pat Cain's Travis County House place; six for the Cameron County seat of former Rep. Maurice Pipkin of Brownsville; five for the post formerly held by Otha Birkner, representing Wharton and Matagorda Counties; and three for the place vacated by former Rep. Jesse George who served Bailey, Cochran, Hockley, Terry and Yaskum Counties.

BEACH STUDY LAUNCHED

Speaker Ben Barnes named three coastal House members to serve on a joint interim committee which will make a new study of Texas beaches.

They are Reps. Rufus Kilpatrick of Beaumont, Travis Peeler of Corpus Christi and Russell Cummings of Houston.

Three Senate members (selected by the lieutenant governor), the land commissioner, highway department chief engineer (or their representatives) and a citizen named by the governor also will serve.

Purpose of the body is to facilitate development of beaches as public recreational areas and tourist attractions. Group will also determine the best method of obtaining rights-of-way and easements for needed highway and parking areas.

ATTORNEY GENERAL RULES

A county tax assessor-collector is not authorized to accept applications for voter registration certificates mailed or delivered to him by some one other than the applicant -- or the husband, wife, father, mother, son or daughter of an applicant. Atty. Gen. Crawford Martin advised Secretary of State John L. Hill of the opinion.

Martin also ruled that bonds voted in a Sherman County election, held before creation of the Texhoma Memorial Hospital District, will not become obligations of the district.

NOISLESS TACKLE BOXES

Line your tackle box with thin gasket cork, and you can stop the racket made when changing lures.

OLD PHILOSOPHER

Dear editor:

Sandwiched in between a bunch of articles on what to do about Viet Nam by people who don't know either and how Congressmen can cut spending and raise taxes without losing their jobs, in a newspaper I found hanging on a fence out here on this Johnson grass farm yesterday morning, was an article on a new technique developed by some child psychologists for getting smart but indifferent children to learn in school.

The psychologists said there are lots of intelligent kids in school who simply won't learn, despite all the motivational devices the teachers employ.

So they've hit on what they call a brand new idea: They shout at them.

Ask a kid what he has just read on a page and if he says "I don't know," shout at him, scream at him, tell him to read it again and keep shouting until he does and gives a satisfactory report.

The teachers, who probably had been wanting to scream for some

time anyway, reported the kids at first burst into tears but then, to get rid of the shouting, buckled down, and the psychologists announced they were pleased to have discovered a new technique.

I don't mean to say you can't over-do it, but I doubt if there are very many successful grownups who weren't shouted at from time to time when they were children. It's my guess that there are times when reasoning is the proper course in handling a child, but there are other times when nothing else is quite so apt and demanded than an unpremeditated top-of-the-lungs shout. I know a few teenagers right now who'd be in better shape if somebody had blasted them into line with a few screams when they were five or six.

Of course when you run into a kid who screams back, you've got a different situation. There are some problems with no answers, as me and Congress very well know.

Yours faithfully,
J.A.

THE FAMILY LAWYER

Watch Your Coat!

Ducking out of the rain, George entered a luncheonette, hung his raincoat on a hook, and ordered a cup of coffee. But by the time the coffee was gone, so was the raincoat. Could George make the management pay for his loss?

A court said no, on the ground that he could not prove any "bailment" of the coat. That is, he had not entrusted possession of the coat to the management.

Questions of this kind may arise any time a customer deposits his personal belongings -- temporarily -- in a place of business. In case of loss, the customer is ordinarily entitled to compensation only if there was a bailment relationship with the management.

The law's logic is that if there is no transfer of possession, then in all fairness that should be no transfer of responsibility either. Coat - watching was more reasonably a job for George, who had hung the coat up, than for the management, which had not touched it.

On the other hand, if the customer delivers his garment to a checkroom and it gets lost there,

he is usually in a position to demand payment.

Unfortunately, it is not always easy to tell whether possession has really been transferred.

Consider the case of a woman whose fur coat was stolen from her dentist's waiting room while he was working on her teeth. Had the dentist accepted possession of the coat?

A court said yes, he had -- by implication, and held him liable for the loss. The court pointed out that the dentist knew the woman had brought a coat, that there was no other place for her to put it, and that she obviously could not wear it during treatment.

What about the contents of a garment? They may or may not be included in the bailment, depending mainly on whether they are items "normally to be expected" in such a location. Thus:

A customer in a clothing store, trying on a new suit, left his old one in a poorly protected dressing room. During his absence, at the mirror, his pockets were rifled, not only \$41 in cash but also a valuable diamond ring.

When he sued the store, the court observed that cash was normally to be expected in a suit pocket -- but not a valuable ring. So the store was ordered to pay for the stolen money, because it was part of the bailment, but not for the stolen ring, because it was not.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

LURES POPPING OFF?

Frequent loss of lures when casting can be caused by faulty knots or a roughened guide on the reel lip.

GIRL SCOUT CORNER

Cameron Girl Scouts and members of the neighborhood service team are completing plans for an Open House to be held at the Girl Scout Hut October 28.

Time for the reception which will be open to the public is 3 to 5 p.m.

Brownie troops are in charge of name tags, Junior troops are planning decorations, and the Cadette troop is preparing the refreshments. Mrs. J. L. Callaway is in charge of general arrangements. Girl Scouts is an agency of the Cameron United Fund.

Brownie Scouts, girls age seven to nine, are brushing up on flag etiquette, taking nature hikes, and learning new songs.

At a recent Brownie meeting, Troop 223, Cadettes Pat Hollas, Judy Hollas, and Beth Brock demonstrated the correct way to conduct a flag ceremony. This troop is also painting totem poles made from stacked cans, learning Scout songs taught by Cadette Janet Pierce, and planning for a party on October 28.

Brownie Troop 370 is planning a nature hike this month. Second year Brownies registered are: Mary Chandler, Deborah Erms, Debra Fleming, Rebecca Fricke, Janice Friemel, Donna McLerran, Patty Scott, and Kim Simmons.

First year Brownies are: Melanie Ballew, Linda Brashear, Sarah Crouch, Debra Curtis, Regina Demerson, Cynthia Edmonds, Margaret Graham, Mary Lee Green, Pamela Hause, Lorinda Horstmann, Alivia McIntyre, Debra Sapp, Elizabeth Walton, Layne Shelander, and Anne Wells.

Junior Troop 369 divided into patrols and elected officers recently. Officers are Leslie Perkins, scribe, and Laura Perkins, treasurer. Members of the Snappy 6 patrol are leader, Sandy Shanks; assistant, Laura Perkins; Carolyn Ellis; Susan Chandler, Lynn Laywell, and Cheryl Small.

Blue Bird patrol: Patricia Trubee, leader; Mary Hanel, assistant; Leslie Perkins, Debbie Korman, Anne Shelander and Donna Slavik.

Flamingo patrol: Debbie Bryant, leader; Denise Price, assistant; Frances Pierce, Debbie Williams, Melissa Crook and Cynthia Jones.

Troop 369 meets every Wednesday at Simon George Hall from 4 to 5:30. Troop leaders are Mrs. Clarence Hanel and Mrs. Stewart Perkins.

Diane Kurtz Wins

Trophy For Twirling

Diane Kurtz, twirler at Yoe High School, won first place Saturday, Oct. 7, in a solo twirl routine and was awarded a trophy at the Heart O' Texas Fair twirling contest at Waco.

Second place was won by Correne Green of Temple and Marsha Hill of Clifton won third.

CHURCH WOMEN PLAN UNICEF; COMMUNITY DAY

Church Women United of Cameron met at the First Methodist Church Friday to review plans for the Halloween Unicef collection and the World Community Day program in November.

The Church Women also discussed continuing support of the Cameron Literacy Council and recommended a class be started for adult illiterates as early as possible.

Mrs. Lane Horstmann, chairman of the Unicef collection this year, reported that the children's drive will begin at 5 p.m.

World Community Day will be at 2 p.m. Friday, November 3 at the First Presbyterian Church. Mrs. J. E. Johnson said the program would be "Who Shall Separate Us."

Mrs. James Kahler, Church Women United of Cameron president, appointed Mrs. Charles Hensley chairman of the nominating committee. Mrs. W. G. Gillis and Miss Mary Yoe will also serve on the committee.

HISTORY CLUB HAS PROGRAM ON TRADITIONS

The Cameron History Club met in the home of Mrs. Kathryn Robbins Tuesday, October 10 with fifteen members present.

Mrs. Leona White, program leader for the afternoon gave an interesting and informative paper on "Sins of Tradition".

The home was decorated in beautiful yellow marigolds and autumn asters. Refreshments were served by the hostess.

WCS MEETS FOR PANEL ON YOUTH

All circles of the Woman's Society of Christian Service of First Methodist Church met in separate sessions at the church for a short business meeting, then met together in the Fellowship Hall for the program "Youth - Society's Untapped Resource".

Mrs. Ruth Rosson introduced the study and Mrs. John Henderson Jr. was leader for a panel discussion in which Mesdames Robert Clark, Prentis McGoldrick, Stewart Perkins, Ben Pierce, Lane Horstmann, and Phil McCall took part.

FARM CREDIT EXPANDS

Texas farmers and ranchers are continually using more agricultural credit. On Jan. 1, 1967, they had debts of just over two and one-half billion dollars. Average land prices have increased from \$60.54 per acre in 1954 to \$114.20 per acre in 1964 and size of farms from 497.7 acres in 1954 to 690.9 acres or 38.8 percent in 10 years.

• Jones Prairie

By Mrs. Bill Thweatt

Bubba and Patricia Florida spent the weekend with their grandparents, Mr. and Mrs. Verne Penicost. Their parents, Mr. and Mrs. John Florida of Baytown took them home Sunday.

Mr. Hetzel Burnett and grandsons, Carl and David Burnett of Houston spent Sunday with Mrs. J. D. Martin and Ted. They also visited his mother, Mrs. Julian Burnett in Newton Hospital.

Mrs. Luther Todd of Austin was home Sunday.

Rev. and Mrs. Ben Curtis were Sunday dinner guests of Mr. and Mrs. Coy Sheffield Sunday.

Mr. and Mrs. Addis Miller, Buddy and John of Houston, Mr. and Mrs. Morris Weems and Mrs. Roy Weems were dinner guests in the Roy Patzke home Sunday.

CLUB PROGRAM ON PARK SYSTEM

Mrs. Bartow Jackson was hostess for the Pleasure and Profit Club meeting at her home last Thursday. A sandwich plate and coffee were served to 15 members before the meeting.

A program on parks in Texas and development of the Texas Park and Game system was presented by Delbert Davis, Milam County game warden.

A short business meeting followed the program.

Apples, Fryers Top List Of Plentiful Foods For October

A wide selection of plentiful foods will be available for the home-maker this month.

October plentifuls reported by the Consumer and Marketing Service include apples, orange juice, rice, broiler-fryers, potatoes and shrimp.

This wide variety of foods make selection a real treat for the wise shopper, says the Texas Agricultural Extension Service.

Services Held For Clyde Taylor, 68, Buckholts Farmer

Clyde Taylor, 68, of Buckholts died Saturday morning in a Kerrville hospital after a long illness. He was a retired farmer.

Funeral services were at 2:30 p.m. Monday at Green's Funeral Home chapel, Cameron. Burial was in Corinth Cemetery.

Surviving are six daughters, Mrs. J. B. Sparrow of Groves, Mrs. Clayton Gill of Houston, Mrs. Anthony Cole of Hawaiian Gardens, Calif., Miss Mavis Taylor of Fort Walton Beach, Calif. and Mrs. Eunice Fleschman and Miss Sharon Taylor, both of Cameron; six sons, Leland Taylor, Wayne Taylor and Allen Taylor, all of Cameron, Bobby Taylor of Virginia Beach, Va., Clyde Taylor Jr. of Dallas and Dennis Taylor of Fort Walton Beach, Calif.; two sisters, Mrs. Zeima Weaver of Killean and Mrs. Janie Lopez of Rockdale; three brothers, the Rev. W. K. Taylor of Killean, J. A. Taylor of Buckholts and Ben Taylor of Big Springs and 26 grandchildren.

Maysfield

By Mrs. J. P. Wise

Mr. and Mrs. Jodie Vrana of West and Larry Thweatt of Huntsville spent the weekend with their mother, Mrs. Herbert Thweatt.

Mr. Fred Jackson of Beaumont visited his mother, Mrs. Fred Jackson Friday.

BIRTHS

To Mr. and Mrs. Marvin McCulloch, 1309 N. Travis, Cameron, a boy, Marvin Ray, born October 3. The baby weighed 12 pounds 1 ounce and was born at home.

Mrs. James Edward Woodum

Miss Jones Weds James E. Woodum

Regina Ann Jones, daughter of Mr. and Mrs. Reginald C. Jones of Houston, was married to James Edward Woodum, whose parents are Mr. and Mrs. R. J. Woodum of Cameron, on October 7, in Glenbrook Methodist Church, Houston.

The bride's grandparents are Mr. and Mrs. Vivian L. Jones and Mr. and Mrs. Hugh Osborne, all of San Antonio, and the groom's grandparents are Mr. and Mrs. T. F. Burnett of Cameron.

Rev. Cyril Isom of Kosse, Texas, cousin of the bride, and Rev. Bryan Young, minister, Glenbrook Methodist Church, performed the double ring ceremony.

The bride, given in marriage by her father, wore a lace cape over peau de soie, enhanced with pearls and iridescents, featuring a scalloped bateau neckline and trumpet sleeves. The air chapel train was lace scattered English net and flowed from the shoulders. Her headpiece was a cluster of net leaves sparked with pearls and iridescents, and had a pearl tear-drop in a circle of crystals. She trailed to the hemline.

bridal veil of illusion was bouffant and trailed to the hemline.

The bridesmaids wore moss green chiffon gowns draping freely into the cage silhouette, over a fitted shell of taffeta. They wore matching headpieces of moss green.

The bride's attendants were Miss Linda Kay Smith, maid of honor, of Dallas, Miss Barbara Woodum, sister of the groom, Cameron, Miss Mary Elizabeth Barrett, Huntsville, Miss Sharon Johnson, Bay Village, Ohio, and Miss Carolyn Schulenberg, Pasadena.

Kirk Bridges of Liberty was best man. The groomsmen were Bubba Cridland of Galveston, Henry Jackson of Mexia, Robert Woodum and Dennis Woodum of Cameron, both brothers of the groom. Ushers were

Melvin Provasek, Jimmy Jones, David Hudson, and Terry Tuck. Paul Terry, fraternity brother of the groom was the soloist.

Members of the houseparty included Miss Louann Wadley, Miss Cindy Hackney, Miss Tudy Gladwin, Mrs. Norman Bradshaw and Mrs. Earl Vaughan.

A reception at the church annex followed the ceremony. Approximately 350 attended the ceremony and reception.

Among the out of town guests were the bride and groom's grandparents and Mr. and Mrs. Stewart Perkins and family, Cameron, Mr. and Mrs. Warren Brashear and family, Beaumont, and Mrs. Carter Stanford and family also of Beaumont, and Mr. Mike Terry, Dallas.

The former Regina Ann Jones graduated from Sam Houston State College, Huntsville, where she served as president of the Alpha Chi Sorority.

The groom attended Texas University and graduated from Sam Houston State College, where he was a member of Delta Tau Delta Fraternity.

After a brief honeymoon, the couple will make their home in Houston.

NO

PHARMACISTS!

Well, not exactly, we do have pharmacists--we take them for granted--but let's suppose for a moment that we did away with pharmacists and there were no restrictions on where a prescription could be filled or who would fill it. How would you feel about giving your sick child, or wife, or husband a prescription product sold to you by any one untrained.

Would you have the same confidence you have now when registered, trained pharmacists perform this function?

Maybe you don't realize it but when you walk out of our store with a prescription product you walk out with peace of mind knowing that you have in your hand exactly what the doctor ordered, accurately compounded and precisely labeled.

2 Year Sentence For Rockdale Man

Johnny Lee Bell of Rockdale was sentenced in Milam County District Court to serve a 2 year term in state prison Thursday after a jury found him guilty of assault with intent to murder, without malice aforethought.

Bell was charged with the assault of Charlie Gipson of San Antonio at Clarks Place in Rockdale on June 18. Gipson was cut with a pocket knife on the face and chest. The wounds required about 100 stitches.

County Attorney John B. Henderson Jr. said maximum possible punishment for the offense was 3 years in prison.

Rockdale Tigers • Clarkson

Take Gatesville In District Game

Rockdale Tigers held their breath last Friday as the Gatesville Hornets made a brilliant rally.

	Hornets	Tigers
First Downs	11	13
Yards Rushing	138	209
Yards Passing	68	0
Passes Attempted	10	3
Passes Completed	5	0
Passes Intercepted by	0	3
Punts	4 for 23	3 for 32
Fumbles Lost	1	5
Penalties	2 for 20	2 for 20

The Hornets, favored to lose by several touchdowns, let the Tigers build up a 13-0 lead at halftime, but came roaring back in the final quarter to nearly tie the Tigers.

Two Tiger TDs came within 90 seconds of each other. Rockdale fullback H. Earl Marion and Robert Brady, scabbard, led a 67 yd drive in 10 plays to Hornet territory. Brady shot around left end from 5 yds out for the first score. Mike Speer's PAT kick was blocked and Rockdale led 6-0.

Three plays later, Tiger field general Stanley Bower shoveled in a Gatesville pass and scampered 41 yards to the Hornet 14 yd line. It took Marion 2 plunges to cross the goal line. Speer's conversion was good and Rockdale was finished as to scoring.

Late in the 3rd quarter, Marion led the Tigers to Gatesville's 2 on a 48 yd drive. But, just short of the goal line, he fumbled and Hornet tackle Mark Reeve recovered.

From then on the Hornets were a threat. A fumble recovery on Rockdale's 45 led to a driving TD in 11 plays. With 4th down and 4, Gatesville QB Mike Gaston flicked a pass into the end zone to his cousin, Kenny Gaston. Bob Gillette booted the extra point and scoring was finished for the night.

Two plays later though, the Hornets covered a fumble on the Tiger 31. Randy Vroman, tailback, passed to end Raymond Cole for a 1st down on the Rockdale 5 yd line. But on a 4th down from the one, the Hornets fumbled and Rockdale recovered.

Four plays later Tiger end Glen Chmela, fighting a rush, booted a 17 yd punt out of his end zone. Bobby Cole returned the punt to Rockdale's 5. But a roughing-the-kicker penalty gave the ball back to the Tigers who managed to run out the clock.

The Hornets used 5 fumbles by Rockdale to their advantage, while the Tigers picked off 3 Gatesville passes.

Marion compiled 114 yds on 26 carries for Rockdale. Hornet Vroman collected 56 yds on 23 thrusts.

Tiger defensive standouts were Richard Kubiak and Mike Speer. James Ingram and Jimmy Ferguson were top defenders for Gatesville. The Hornets gave their best performance since they have gone under at each district game.

Yellow Jackets Down Milano Eagles In Tight 45-38 Game

The Milano Eagles nearly caught the Coolidge 6-man team last Friday night with a score of 45-38.

	Milano	Coolidge
First Downs	8	10
Yards Rushing	202	254
Yards Passing	85	143
Passes Attempted	9	16
Passes Completed	7	10
Passes Intercepted by	0	0
Punts	0 for 0	0 for 0
Fumbles Lost	4	2
Penalties	2 for 20	4 for 60

It was a close battle all the way as Coolidge led at halftime 21-16.

In the opening quarter Yellow Jacket Gary Hughes sprinted 20 yards for a TD. Hughes passed to Danny Jackson for the PAT.

Then Eagle Morris Popham took a plunge into the Coolidge end zone from 10 yards out. Grover Morgan booted the conversion.

A second TD pass from Hughes to Jackson widened the Yellow Jackets' lead and Hughes made his PAT try good.

Popham scampered for 18 yards in the 2nd quarter for a TD and Morgan tackled on the extra point with a kick.

Hughes took the longest run of the night on a 91 yard drive after intercepting an Eagle pass. The run finished scoring for the first half.

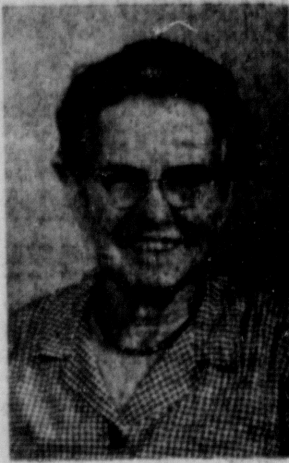

Early in the 3rd quarter Hughes hit Robert Yarborough with a short bomb for a TD. Then Hughes pitched to Jackson for another TD.

Finally the Eagles roused themselves, with Milano QB Mark Story passing 36 yards to Morgan for a score.

In the 4th quarter Hughes hit the end zone after an 8 yd sprint. Story retaliated with another 36 yd bomb to Bruce Coldiron for 6 points. Morgan's PAT kick was good.

Jackson added 6 more Coolidge points with a 3 yd run.

The final TD of the night came on a 15 yd sprint by Robert Silva for Milano. Morgan's kick found the uprigths and the game ended, 45-38.

By Mrs. J. A. Blasienz

Visiting relatives here last weekend and attending the homecoming on Sunday were Miss Jewell Wimberly of Austin, Mrs. Sandy S. Peyton and daughter of Waco, Mr. and Mrs. Johnnie Joe Hawk and children of New Braunfels, Mr. and Mrs. Jimmy Hawk and son of Buckholts, Mr. and Mrs. Paul Hawk.

Also Mrs. R. D. Todd and grandchildren, Robert and Caroline Bradshaw, Mrs. T. W. Garrett, Bobby Garrett, Mrs. Ann Gowing, Candy, Stacy and Tracy, all of Bryan, Mr. and Mrs. C. E. Richardson and children, Mr. and Mrs. C. J. Brown of Fort Worth, Glenn Dodd of Houston, and Mr. and Mrs. Charles Engel of Travis.

Mrs. Joe Hawk and her grandson, Donnie Hawk, spent the past weekend in Bryan visiting relatives.

Clarence Dodd of Austin visited his mother, Mrs. V. D. Dodd, recently.

Mrs. Amos Doskocil accompanied her daughter and family, Mr. and Mrs. Bruno Kaulfus to Colorado City the past weekend for a visit in their home. She plans to visit another daughter and her family, Mr. and Mrs. Charles Hasenratz in Amarillo before returning home.

Mrs. J. A. Blasienz and her granddaughter, Mrs. Robert Mays of Temple spent the weekend in Dallas with Mr. and Mrs. D. D. Harrison and Jerry, and Mr. and Mrs. Neal Combs. They attended the State Fair on Saturday.

Mr. and Mrs. Robert Skupin and son of New Braunfels, and Mr. and Mrs. Henry Skupin of Houston were guests of their parents, Mr. and Mrs. Emil Skupin recently.

• Burlington

By Mrs. Gerald Foshea

Mr. and Mrs. Henry Davenport Sr. spent the weekend at Weatherford welcoming a new grandson born to Mr. and Mrs. Henry Davenport Jr. He was born Oct. 12 and weighed 7 pounds 14 ounces and was named Stephen Edward. Henry Jr. is pastor of First Baptist Church in Weatherford.

Mr. and Mrs. Billy Wayne Marek and Stephan Allen, and Mr. and Mrs. Arthur Henaosa and Nancy of Mesquite visited Mrs. Alea Marek and other relatives over the weekend.

Mr. and Mrs. Joe Ralston and Bobby of Temple spent the weekend with Mr. and Mrs. Gerald Foshea and Mr. and Mrs. Thomas Polk and boys.

John Henkel Jr. of Dallas visited Mr. and Mrs. Ben Fox last weekend.

Mr. and Mrs. Elo Buegler visited at Olton, near Ballinger, the past weekend. They also attended a church picnic while there. They reported that they are just starting to pull cotton there.

Mr. and Mrs. Monroe Lange and Randy of Temple visited her parents, Mr. and Mrs. Wesley Davenport over the weekend.

Mrs. W. W. Wright and Judy Grace of Houston visited Mr. and Mrs. George Poole and boys and Mr. J. J. Foshea at Waco last weekend. They had dinner with Mr. and Mrs. Gerald Foshea on Sunday.

Mr. and Mrs. Thomas Wilcoxon and children of Mesquite visited her parents, Mr. and Mrs. A. E. Hensel, over the past weekend.

Yoemen Stomp Eagles

By Fritz Pratt

The Cameron Yoemen downed the Hearne Eagles last Friday with a shut-out of 28-0. The statistics:

	Cameron	Hearne
First Downs	18	5
Yards Rushing	205	31
Yards Passing	84	78
Passes Attempted	11	20
Passes Completed	4	6
Passes Intercepted by	2	0
Punts	6 for 32	8 for 36
Fumbles Lost	3	4
Penalties	6 for 60	8 for 53

Mike Miller opened the game with booming kick to Eagle back Andy Reed who returned the ball to the Hearne 33.

The Yoe defense, which is growing in fame with every game, buckled down to hold the Eagles. The Hearne squad got 1 first down despite tackles by the defense.

On third down, a short Eagle pass was snagged by Al Hefft who sprinted 10 yards before being pulled down.

The ferocious Yoe offense took off now on a 45 yard drive for paydirt. Miller smashed out 15 yds on the 1st Yoe offensive play. Next it was Wayne Kirk for a bruising 19 yds. Kirk added 3 more on the next play.

Miller shoveled out 5 more followed by Kirk for an added yard. QB Glenn Fogle finished the drive now with a 5 yd romp around right end for 5 yds and a TD. Miller shot the pigskin between the uprigths and the score was 7-0.

Miller hung the ball in the rafters on the kickoff and Ken Johnson returned the kick to the Hearne 37.

Yoe defenders Chapman, Maddox, Barrett, Kirk, Dohnalik, and Lafferty now dug in and held the Eagles for less than 10 yds. John Morehead punted for the Eagles and the ball went out on the Yoe 26 yd marker.

On 1st down, Kirk rambled for 7 yds. On the next play Fogle was jarred loose from the ball and Larry Zeig recovered for Hearne. But Hearne fumbled on their 1st down and Dohnalik recovered for the Yoemen.

It was Kirk for 3 yds on 1st

down. He added 1 more on the next play. Fogle went to the air on 3rd down with a pass to Dennis Crouch.

The pass missed its receiver and Miller punted on 4th down. Ken Johnson returned Miller's kick to the Hearne 25. A fumble gave the ball to the Yoemen.

On 1st down it was Fogle sprinting around right end for 10 yds and a TD. Miller put his toe in the ball for the PAT and added 1 more point to make it 14-0.

Miller again shot the ball deep into Eagle territory on the kickoff. Andy Reed returned the kick to Hearne's 40 yd line. The Eagles picked up two 1st downs now but were quickly stopped by tackles from Barrett, Richardson, Fogle, Chapman, Hefft, Dohnalik, and Hosch. The ball went over on downs and the Yoe offense took over.

It was Kirk for 8 yds through the middle with Miller adding 5 more. Then, on 3rd down, Fogle was separated from the ball by a slamming tackle and Morehead recovered for the Eagles.

The Eagles picked up a 1st down with a long pass, despite coverage by Lafferty and Fogle. But Jekel, Kirk, Hefft, Chapman, and Fogle kept the Eagles from making 10 more yds. Following a 4th down pass which was batted down by Chapman, the ball went over to Cameron.

Kirk totaled 4 yds on 2 carries in a row, and a change in tactics saw Miller punt on 3rd down to the Hearne 41 yd marker.

Now, key tackles by Kirk, Chapman, Dohnalik, Hefft, and Hosch forced Marvin Zeig to punt on 4th down. The ball rolled dead on the Yoe 20 yd line.

Kirk rambled for 9 yds on 1st down, but a penalty nullified the gain. Miller scampered 6 yds on the next down. It was Kirk again, this play. Miller totaled 11 yds for the next 2 downs.

Then, on 2nd down Fogle sprinted 15 yds on a keeper. Kirk stomped off 9 yds on 1st down, followed

by Miller for 3 and another 1st down. Fogle now went to the air. He shot a pass to Miller which bounced off the big bruiser incomplete. Fogle overthrew Miller on the next play.

But, on 3rd down, Fogle laid the pigskin right in the 219 pounder's hands. Miller rolled over a couple of tackles before being hauled to earth. The pass carried the Yoemen to the Hearne 15 yd line.

Kirk smashed in for 7 yds on 1st down. Fogle recovered a fumble in backfield on 2nd down. Miller went for 4 yds on the next play to get a 1st down.

Kirk sprinted the final 5 yds for a TD through a host of Hearne tackles. Miller's extra point kick made the score 21-0.

Mark Mathews returned Miller's kick off to Hearne's 30 yd line. But the Eagles traveled less than 10 yds.

punt and cut through 33 yds of defenses to Hearne's 27. The last play of the half was an incomplete pass. The halftime score: 21-0.

SECOND HALF

Marvin Zeig kicked off to open the 2nd half. Dohnalik returned the kick to the Yoe 49. On 1st down Kirk was held for no gain. Miller struggled through 4 yds and added 3 more on the following play. Fogle made an incomplete pass to Miller on 3rd down, and he was forced to punt on 4th.

Zeig punted on 4th down and Kirk returned the punt to the Cameron 24 yd line.

It was Fogle for 5 yds on 1st down followed by Kirk for 1. Now Miller brought the crowd to its feet with a 20 yd sprint into Hearne territory. On the following 1st down Kirk went for 1 yd.

Fogle flicked a 15 yd bomb to Crouch for another 1st down. Fogle sprinted for 6 yds followed by Miller for 10. On the next down, it was Kirk for 2 yds. Crouch added 10 more for another set of downs.

The following 5 yd smash by Miller was nullified by a penalty. Fogle sprinted 4 yds on the next play. He then tried a couple of passes, one to Lafferty and one to Crouch. Both fell incomplete.

Then, as Miller faded back for a field goal try, the ball came back too high, and when Miller finally recovered it, the ball was in Yoe territory.

Now the Cameron defense took over, holding the Eagles from a 1st down. Tackles by Jekel, Barrett, Hosch, Chapman, Hefft, and Fogle forced Morehead to punt on 4th down. The punt bounced out of play on the Yoe 3.

Miller now took the ball for 3 plays, tallying a little over 9 yds on his tries. But, being so deep in their own territory, the Yoemen punted. Hearne took possession of the ball on the 50 yd line.

The Eagles tried a pass which Fogle pulled down smoothly and the Yoemen took over offensively.

A pass to Miller from Fogle tallied 7 yds on 1st down. Kirk and Miller each added 1 more yard,

Gause News

By Mrs. Wanda Lee

We have several of our citizens in the hospitals at the time of this writing. Mrs. Winona Bailey is a patient in Hearne General, Mr. Rudy Bowling a patient in Searcy-Fleming in Hearne and Mr. Albert Olinger is still a patient in the Veterans Hospital in Marlin where he has been for five weeks.

Mr. and Mrs. Walter Burney of San Diego, Texas visited the first part of last week with Mrs. J. M. Burney and other relatives.

Mrs. Alfred Coates and two sons left for their home in Lamesa Saturday night after spending this past week with her mother, Mrs. J. A. Ely Jr.

Mr. and Mrs. Wayne Lee, Craig and Kelly visited in Milano last Wednesday night with Mr. and Mrs. Harold Neal. Sunday afternoon they visited in Milano with Mr. and Mrs. Roy Gene Miller.

Mr. Sammy Harris of Houston spent the weekend here with his mother, Mrs. Lillie Harris and her house guests, Mr. and Mrs. C. J. Jones of Dilley.

Miss Toni Saladino, Mr. David Kercheval and Mr. Bob Miller of Bryan visited last Wednesday afternoon with Miss Kay Cass.

Mr. and Mrs. Brice Shockley and two of their grandchildren, Mike and Kay of San Antonio visited over the weekend with Mr. Will Faulkner, Bill, and other relatives and friends.

Terry Collie arrived home Sunday from a tour of duty with the army on Okinawa. Terry has received his discharge and will be back around these parts of the

country now. His wife and daughter Gloria and Candi, her parents and brothers, Mr. and Mrs. Brown Ely, Rock and Myron, her grandmother, Mrs. Effie Ely and his parents, and sister, Mr. and Mrs. L. H. Collie and Daune of Hearne met him at the airport in Bryan and they all had lunch over there.

Mrs. Sue Fuller and Mrs. Mary Garrison are also patients in the Hearne General Hospital.

Mr. and Mrs. Cecil Butler visited in Cameron Sunday with their children, Mr. and Mrs. Garland Hux and Staci.

Mrs. Lucy Neeley of Rockdale has been visiting with friends here. Mr. and Mrs. Dan Hartly and Mr. Bill Hartly and daughter, Linda of Austin and Mr. and Mrs. E. J. Shaddock and Chuck of San Antonio spent Saturday here in Gause.

Mr. and Mrs. Hilton Butler left Bryan by plane Monday for Dallas to meet Mr. and Mrs. John Goodwin with plans to leave Tuesday for Arkansas on a vacation.

Special Notice

"Yoe High School Class of 1930"

CAMP INSURANCE

THIS FEATURE MADE POSSIBLE BY THESE SEASON LONG YOEMEN BOOSTERS

James W. Cory, a senior student at the Austin Presbyterian Theological Seminary in Austin, will be guest pastor at the First Presbyterian Church on Sunday, October 22.

A 1964 graduate of Texas Christian University, Cory earned his BBA in marketing. While attending TCU, he was president of the Presbyterian Students' Association and the campus military fraternity, chaplain and treasurer of Sigma Chi social fraternity, and chairman of Religious Emphasis Week sponsored by the United Religious Council. Active in intramural sports, he also taught a physical education class for two years.

Lutheran Churches

Mark Anniversary

Trinity Lutheran Church of Cameron will combine efforts with ten other Lutheran churches - Missouri Synod - for a joint Reformation worship service in Waco the last Sunday of October.

The joint worship service, marking the 450th anniversary of the Reformation, will be held at Trinity Lutheran Church, 6125 Bosque Blvd., in Waco October 29 at 6:30 p.m. Churches in Clifton, Hillsboro, Mart, Marlin, Malone, Riesel, and Rosebud will join three Waco congregations for the observance.

San Gabriel News

By Mrs. H. H. Linke
Mr. and Mrs. Frank (Buddy) Worley of Dallas were here Thursday for a visit with his mother, Mrs. F. W. Worley.

Danny McDaniel and Lawana Kimmons were united in marriage Saturday, October 14, in Austin. Attending the ceremony from this community were Mr. and Mrs. Jim McDaniel, Mr. and Mrs. Richard Heine, and Mrs. Walter McDaniel. Mr. and Mrs. Billy Limmer, Bobbie and Billy of Pasadena were weekend guests of their parents, Mr. and Mrs. Billy Limmer, Bobbie and Mrs. Pat Evans.

Rev. Melvin Zornes attended the Town and Country Church Conference at A&M College Thursday and Friday.

Mr. and Mrs. Bill Stigall, Dale and Brian, spent the weekend here with their folks, the William Stigalls and H. W. Clarks.

Lucy and Frank Ditmore of Austin were guests of her mother, Mrs. Andrew Garner, over the weekend.

Mr. and Mrs. L. L. Worley spent Thursday at their lake property near Austin.

Mr. and Mrs. Buster Guthrie and Mr. and Mrs. Hugo Linke attended the Farm Bureau barbecue in Cameron Thursday night.

Curtis Beason returned home Saturday from six months of Army Reserve duty. He was stationed in Washington.

Weekend guests of Mrs. Bill Clark were Mr. and Mrs. Gus Clark and John of Houston, Mr.

and Mrs. Billy Clark and children also visited with his mother, Mrs. Bill Clark, and her father, Mr. Paul Graves, in Sharp.

Maryland Hunters

Treated By Texas

BIG LAKE

Two mechanics from Silver Springs, Maryland, saved their hunting money for a year so they could come to Texas and participate in a true western antelope hunt only to find on their arrival that their money was running out and they would be hard pressed for cash to get home, according to District Chief Bill Spritt of the Texas Parks and Wildlife Department.

Clarence Clark, Jr., and his hunting partner, Bruce Cole, trimmed expenses where they could but forgot about the \$25 hunting license requirement Texas imposes on out-of-state hunters - there went \$50 out of their kitty they hadn't planned on. Secondly, the hunting pair made a 400 mile error on mileage - there went another \$15 or so.

All day Saturday, while hunting on a West Texas ranch, they didn't eat - not a bite - since they realized their money would be rapidly used up on fuel returning to Maryland. When several other hunters heard of their dilemma, true Texas hospitality gained the forefront. E. J. Richards of Waco loaned the pair \$40 for their trip home.

Both Cole and Clark bagged nice trophies and as they were leaving said, "We will never forget our Texas antelope hunt or the kindness shown us by you Texans."

Reunion Alerts
Calif. Neighbors

Efforts to contact members of Yoe High Class of '37 for a reunion in November brought together classmates in California who had been neighbors for 22 years.

Through letters mailed to the class members by Mrs. Verna McLane Hentz, of Cameron, Dr. Charles Cuthbert Heath, a dentist in Burlingame, California, learned that his Yoe High friend Rodney Polard lived just a few miles from him in San Francisco.

Polard, who is with General Electric Co., and Dr. Heath have had their own reunion in California and forwarded a warm letter of thanks to Mrs. Hentz for bringing them together.

Penney Co. Enters Insurance Field

J. C. Penney Company's plans for entering the consumer financial services field - with insurance as the first step - have become a reality.

Penney credit customers here will shortly receive through the mail descriptive material offering accident insurance, according to J. C. Friesenhahn, store manager. Customers in this area will comprise the latest group in the country to be offered Penney's insurance.

School Menu-

MONDAY—Chili Beans, Spinach, Creamed Potatoes, Carrot Stick, Applesauce Pudding, cornbread, milk.

TUESDAY—Turkey Sandwiches, Potato Chips, Sweet Rolls, Orange Juice, Milk.

THE FIRST PAGE OF Adventure

THE CHURCH FOR ALL...

... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

I have to confess that once I thought mothers read to their children to entertain them—and keep them quiet. But it wasn't long before I began to see the results of storytime in my own youngsters' interests and understanding.

Obviously a child's imagination just keeps pace with the growth of his mind and body. Apparently it is in well-chosen stories that he first encounters the challenging adventures that will later become part of his own life.

Now I fully appreciate the skill and experience that underlie my Church's program for moral and religious training. Bible stories aren't some harried teacher's solution to a disciplinary problem. They are fundamental steps in the development of character and conviction.

So I am grateful to God who has given us the cherished narratives of man's spiritual discoveries. For my youngsters they have been the first page of adventure... and of faith!

Outdoors In Texas

By Vern Sanford

How old is old?

In the outdoor kingdom, that's
 an elusive question. There simply
 are too many factors involved.
 Few creatures in the wild ever
 die of old age. Usually they suc-
 cumb to such things as infant mor-
 tality, predators, diseases, accidents
 sieges of bad weather, or compe-
 tition for food and shelter.

Nature's world is a violent thing.
 It was set up with checks and bal-
 ances. One animal preys on another.
 This keeps down an overpopu-
 lation of animals.

Before natural predators like
 mountain lions and coyotes were
 controlled or eliminated (and re-
 searchers solved such problems as
 the screwworm menace) we had
 no overpopulation of deer for hun-
 ters to harvest.

Nature has her own way of bal-
 ancing the game or fish to avail-
 able habitat and food. But man
 has learned something about the
 longevity of certain creatures
 through controlled studies. Most
 of these studies have been made
 in zoos, where pampered animals
 live under conditions ideally suited
 to prolong life. It is from such
 studies where the statistics con-
 cerning the longevity of animals
 are developed.

For instance, man lives the long-
 est of all mammals. But as age
 goes, man's lifespan really isn't
 long. In general, birds live longer
 than mammals and certain reptiles
 live longest of all.

For some unknown reason large
 animals have a tendency to live
 longer than their smaller relatives.
 But of course there are many ex-
 ceptions.

Champions of the old-timers is
 the giant tortoise. One has been
 known to live for 152 years!

But this isn't much better than
 the box turtle, with an authentic
 age of 123 years. An alligator has
 been known to live for 68 years,
 a snapping turtle for 57 and a
 cottonmouth snake, 21.

Elephants rank behind humans
 among the mammals. One 69 years
 old has been known. A horse has
 been known to live for 50 years,
 a hippopotamus, 49, a chimpanzee,
 40 and a grizzly bear, 32.

With the more common animals,
 a cottontail rabbit has lived to 10
 years and a squirrel to 16. There
 have been lions which saw their
 20th birthdays, and a mountain
 lion that lived 20 years.

A 102-year-old swan leads the
 birds. This also includes the parrot,
 80; the great horned owl, 68; eagle,
 55; English sparrow, 23; canary,
 22; and humming bird, 8.

Among the amphibians, a giant
 salamander lived to 55, a toad to
 36 and a bullfrog to 30.

There is no recorded lifespan
 statistics on the bobwhite quail.
 But certainly under ideal condi-
 tions this bird should live longer
 than a year. Yet biologists estimate
 that fully 80 percent of the quail
 born this year will not see their
 second birthday. Whether they are
 hunted or not, some 80 of 100 quail
 will perish from factors like pre-
 dation, disease and starvation, be-
 fore they are two years old.

BREAKING ROD TIPS

Many sportsmen break their rod
 tips when playing large fish by
 pointing the tip away from the
 fish. Keep rod tip in correct posi-
 tion.

CARD OF THANKS

We want to express our apprecia-
 tion to everyone who showed sym-
 pathy and kindness to us at the
 death of our loved one. For the
 cards, flowers, food and other ex-
 pressions of sympathy, we are
 truly grateful.

The family of

LEGAL NOTICE

TAXICAB ORDINANCE

An ordinance regulating and re-
 stricting the operation of taxicabs
 within the City of Cameron; pro-
 viding for the issuance of permits
 and prescribing requirements re-
 lating thereto; imposing fees; pre-
 scribing fares; providing for re-
 vocation of permits; defining of-
 fenses and imposing penalties; re-
 pealing conflicting ordinances; and
 providing for publication.
SECTION 19: OFFENSES AND
PENALTIES.

Any person who shall conduct a
 taxicab business in the City of
 Cameron without a valid permit
 as required by this Ordinance, or
 who shall fail to have all vehicles
 used by him as taxicabs lettered
 and painted as provided in Section
 9 of this Ordinance, or who shall
 violate any other of the provisions
 of this Ordinance, shall be guilty
 of a misdemeanor, and upon con-
 viction shall be fined in a penal
 sum not exceeding Two Hundred
 Dollars. 31-2tc

LEGAL NOTICE-

NOTICE OF EXECUTION SALE

By virtue of an order of sale and
 execution issued out of the District
 Court of Milam County, Texas, on
 a judgment rendered in said court
 on the 12th day of May, 1967, in
 favor of Glennwood Warneke and
 against Charles Burns, in the case
 of Glennwood Warneke, Plaintiff
 vs. Charles Burns, Defendant, No.
 15518 in such Court, I did on the
 27th day of September, 1967, at
 11:00 o'clock A.M. levy upon the
 following described property of the
 Defendant, Charles Burns:

An undivided one-half (1/2) work-
 ing interest in and to that cer-

tain oil and gas lease, entered
 into by and between S. C. Pratt,
 Lessor and Sherman Nelson, Les-
 see, dated March 18, 1963, cover-
 ing 74.53 acres of land, more or
 less, out of the Jose Leal and J.
 Kleberg Surveys, Milam County,
 Texas, said lease being recorded in
 Volume 87, Page 233, Oil and
 Gas Lease Records, Milam Coun-
 ty, Texas.

And on the 7th day of November
 1967, being the first Tuesday of
 said month, between the hours of
 ten o'clock A.M. and four o'clock
 P.M. on said day, at the Court-
 house door of said county, I will
 offer for sale and sell at public
 auction, for cash, all the right,
 title and interest of the said Charles
 Burns in and to said property.
 Dated at Cameron, Milam Coun-
 ty, Texas, this 27th day of Septem-
 ber, 1967.

C. C. Black, Sheriff of

Milam County, Texas.

County Agent's Notes ...

Agronomist Urges Good
Crop Management System

By J. D. MOORE

"The proper use of fertilizer is only a part of a well managed cropping system," pointed out John Box, agronomist from A&M University, as he discussed soil fertility at the shortcourse held in Cameron last week. Proper equipment, crop rotation, crop residue management, the use of fertilizer to meet the crop and soil needs are all important parts of a good soil fertility program.

Soil tests recommendations from a reliable laboratory are still our best method of determining soil and crop needs. Then too, soil tests may save a farmer or stockman money following a dry year when fertilizer residue may occur.

Dr. Gordon McLean, soil scientist at the McGregor Station, reviewed research for this region and pointed out that soil moisture is the prime limiting factor in crop and forage production. He is a strong advocate of supplemental irrigation. He pointed out that moisture measurements can be made with a variety of techniques. Such measurements can indicate total moisture penetration as well as available moisture.

Dr. McLean registered encouragement to cotton farmers as he told of promising efforts to develop a method of controlling cotton rot through a process of trans-

location. He told of research work being done with systemics to move fungicides down into the soil at greater depths necessary for reaching roots affected with soil borne diseases.

Dr. McLean used illustrative material to show research work being done at the McGregor Station with plant food trace elements. He pointed out that iron and zinc are more commonly deficient in blackland soils and efforts are being made through laboratory as well as field tests to determine just how these materials may be effectively used.

Dr. C. D. Welch, Extension soil chemist and director of the soil testing lab at A&M, used slides and charts to explain the principles of soil testing. Highlight of his talk was an explanation of how plant food nutrients are picked up by plant roots and their chemical properties as related to the chemical properties of the soils.

James Denton, farm management specialist, pointed out that to make the most profitable use of their resources, farmers and stockmen must evaluate in a systematic way the different production alternatives that appear profitable. Among these are the most profitable rates of fertilizers to use. This evaluation needs a continuous process.

Poage Hails Halt Of Penalties On
Skip-Row Cotton Planting For '68

Announcement by the Agriculture Department that penalties on skip-row cotton planting in 1966 and 1967 would not be imposed on the 1968 crop was hailed today by Chairman W. R. (Bob) Poage, D-Tex., of the House Committee on Agriculture.

"I am gratified that the Department has at last recognized the

justice of skip-row planting," declared the Texan. "It is no more a device for increasing production than is the use of fertilizers, irrigation or pesticides."

"It does not increase the total amount of cotton planted any more than the use of double-spacing over single-spacing increases the number of words to be typed in a letter."

Statewide Cotton
Promotion Planned

DALLAS (Special) Texas cotton industry leaders approved a statewide program of local promotions to tell consumers that cotton still offers more benefits in appearance, maintenance, comfort, and durability.

"We are going to make sure everybody fully understands this," said Roy Forkner, Lubbock, chairman of the Texas state unit of the National Cotton Council.

"We are working to get more cotton into more hometown stores; it's time to be doing more right here at home," he added. "Also this will support on a local level the national cotton promotion made possible by the \$8-million budget of Cotton Producers Institute."

In addition to members of the Texas unit of the Cotton Council and Trustees of CPI, the meeting was attended by the state's representatives on the Cotton Board and officials of other cotton groups.

President Thomas Jefferson compiled a Bible for his own use.

The battle between the Monitor and the Merrimack took place at Hampton Roads, Virginia.

4-H CLUB
ACTIVITIES

Beginning this week the Milam County 4-H Award winners' pictures will appear in The Herald. A total of 26 4-H'ers entered their record books in July for county competition. These 4-H'ers will receive awards at the Milam County 4-H Awards Banquet to be held November 11, at the Simon George Hall in Cameron.

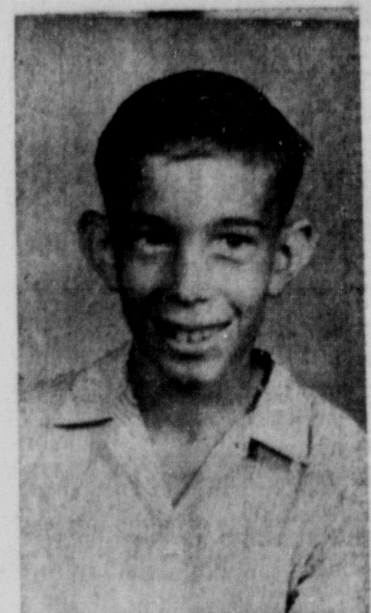

Donald Fleming, son of Mr. and Mrs. Wayne Fleming, is a member of the Countywide 4-H Club. He has been in 4-H for three years. During this time he has carried a swine project and this year he is carrying swine and beef. Donald started his swine project with a gilt in 1965. His gilt placed second in the County 4-H Gilt Show and

Joseph Jistel

Joseph Jistel, son of Mr. and Mrs. Richard Jistel, is a member of the St. Anthony 4-H Club. He has been in 4-H for three years. During these years of club work he has been Recreation Leader for St. Anthony club and this year is president of the club. Joseph has carried projects in gardening, poultry and swine. In 1965, he received the county garden medal, in 1966 the county garden medal and in 1967 a blue ribbon at the county Broiler Show.

Joseph is also raising a gilt this year, which placed third in the county 4-H Gilt Show. He had this to say about his 4-H Club work: "During the three years of 4-H Club work I have learned to be more alert and do a better job with my 4-H projects."

Donald Fleming

he won second in the county 4-H swine management contest.

In 1966 he increased his swine project to one sow and two gilts. In 1967 Donald had the Reserve Champion barrow at the county livestock show and second place heavy and lightweight gilts. He has made enough profit from the swine project to buy an Angus steer, which he is feeding for the San Antonio livestock show in 1968.

Donald had this to say about his 4-H project: "I have learned how to manage and feed swine for production and show, and have learned that it takes lots of hard work to place in a show."

ASCS News

By Alva E. Sanders

Cotton growers in Milam County will have an opportunity to vote in a referendum to determine whether marketing quotas will be in effect for the 1968 upland cotton crop. The decisions cotton growers make this year will affect all people who make their living from cotton and they will have a strong bearing on the kind of cotton program we have in the future. The referendum will be held by mail and it is expected to be held not later than December 15.

The issue in the referendum will be that of marketing quotas and not of cotton allotments. Some cotton producers in the county are of the opinion that the question of cotton allotments is being voted on in the referendum. This is a grave misunderstanding. The referendum is to decide whether or not cotton growers want marketing quotas again for 1968.

If marketing quotas are approved for 1968, a cotton program similar to the one of the past two years will be in effect. Last year, a producer participating in the cotton program received 9.42 cents

per pound price support on 65 percent of his allotment times the projected yield for his farm. He could divert 12½ percent to 35 percent of his allotment and received 11.53 cents times his projected yield for each acre diverted. Also cotton in excess of the effective farm allotment was subject to a marketing quota penalty.

Details and provisions of the 1968 Upland Cotton program will be released by the U.S. Department of Agriculture in the very near future.

The total supply of cotton for the 1967-68 marketing year is about 20.8 million bales. The normal supply is about 18 million bales. The Secretary of Agriculture is required by law to proclaim quotas for the 1968 crop not later than October 15. It's too early to know for sure what the national acreage allotment for cotton will be.

Sir Walter Raleigh, an English courtier of Queen Elizabeth's time, paved the way for the settlement of America.
